

## **Naval Hospital Lemoore: OPEN Enrollment! Come One, Come ALL**

Naval Hospital Lemoore (NHL) is a 2014 Joint Commission Accredited facility and we are ready to be your premiere partner for all your healthcare needs. At NHL, YOU are the center of our care!

We are OPEN FOR ENROLLMENT! Become a NHL enrollee and experience one of our nationally recognized, patient-centered Medical Home Port (MHP) clinics that offer expanded evening and weekend hour appointments, allowing us to meet your healthcare needs at a time that is convenient for you.

As an enrollee in our MHP, you will be cared for by highly qualified teams of professional medical practitioners, ensuring you receive the outstanding care you deserve. In addition, you will have access to Relay Health and TRICARE Online, two web-based programs that allow you to communicate with your MHP team through a secure messaging network, make/change appointments, view lab results, and refill prescriptions online.
